

for the love of roasts.

At Aileen's, the magic begins long before the first plate is served. The kitchen hums with the sound of preparation – potatoes are peeled and chopped into perfect chunks, doused in duck fat, and roasted until crisp and golden. Fresh herbs are picked, carrots are peeled and glazed to glossy perfection, and the dry-aged beef is seasoned and roasted to tender, flavourful glory. Then there's the gravy – a true labour of love. It begins with a rich bone broth, simmered low and slow for hours, carefully reduced, seasoned, and whisked into a luscious sauce. Lest we forget, the sky high pile of pots, pans and roasting dishes! We've done the hard work so you can sit back and savour every indulgent bite.
