Our Head Chef Alfonso wanted to share his passion for authentic Neapolitan style Italian pizza and has created our menu using his own family's recipe.

Neapolitan pizza, or pizza Napoletana, is a type of pizza that originated in Naples, Italy. This style of pizza is prepared with simple and fresh ingredients: a basic dough, raw tomatoes, fresh mozzarella cheese, fresh basil, and olive oil.

One of its defining characteristics is that there is often more sauce than cheese. This leaves the middle of the pie softer than the American style pizzas many are familiar with, but the result is light and full of flavour.
