wine + drinks list

INTRODUCTION

Our wine and drinks menu is written in relation to our food, with care and consideration to the specific terroir of which our food speaks. Because our food menu pays homage to the landscape of the west of Ireland, we have chosen wines and drinks we feel do justice to the specific place that is Galway. Wilds herbs, seaweed, pickles, and preserves are the building blocks of our menu. The lightness of our food lends itself to crisp expressive whites and spicy light to medium reds. When choosing your beverage, be sure to ask our staff for advice if you are unsure of its pairing.

Please note vintages may vary.

Enjoy!

Jp and the Aniar Team.
